EXPERIENCE

Rapic.io - Remote — Front-End Developer

May 2020 – Present

- Integrate the OAuth functionality into React application with back-end server.
- Working with a global dev team over Phabricator with scrum methodology.
- Design, implement and test the React application from scratch with Next.js.

General Assembly - Boston, MA — Software Engineer Immersive

February 2020 – May 2020

- Completed 12 weeks/500+ hours of intensive Full Stack Development instruction.
- As a capstone project developed full-stack SPA, [Photo Collector](#), using the technologies React, Node, Express, MongoDB, with OAuth and 3 party APIs.
- Completed 4 full-stack web applications in 4-day sprints each, independently & collaboratively and practiced Agile methodology.
- Learned and critically applied 15+ new languages, libraries, databases, and other technologies. Utilized Git and GitHub for version control.
- Greatly exceeded curriculum expectations by completing ~100 extra hours of additional material.
- Built quality RESTful APIs and integrated data from third-party APIs.

Ace It Education - Boston, MA — Web Developer

May 2019 – February 2020

- Created and maintained the two websites of the company with WordPress.
- Organized tech events in cooperation with people of diverse backgrounds.
- Managed social media and website content. Advertised the events via Eventbrite.

The Fix - Farmington, CT — Stores Manager

May 2018 – May 2019

- Managed the finances and personnel of the company's branches at four different locations. Scheduled the employee shifts and acted as Human Resources.
- Efficiently managed ~\$1 million yearly budget and increased profitability of the company by 10% with user and market research.
- Worked on improving sales strategies and customer satisfaction. Established the use of alternative products and services for customer needs.

Zaman Media Group - Ankara, Turkey — Correspondent

May 2014 – April 2016

- Worked with editors and senior correspondents as a team to cover all of the latest political news from the Capitol. Reported judicial news from the courts.
 - Acted as the assistant to the Executive Officer in Ankara headquarters of the media outlet.
-
