General Assembly
Software Engineer
Immersive

Middle East Technical University (METU)
Bachelor of Science
Mathematics

Leadership

President of Student
Council @ METU

Personal Interests

Photography
Cinema
Travel
Journalism
Mathematics

Summary

I'm a web developer with a background in media and mathematics. I enjoy breaking down and solving complex problems with analytical thinking, while my work in journalism has equipped me with an eye for the big picture. I'm excited to produce exceptional pieces of work that will have an immediate positive impact on end-users.

Experience

Rapic.io - Remote — Front-End Developer

May 2020 - Present

• As a front-end developer, responsible for front-end maintenance and updates of application with back-end upgrades for better user experience.

• Designed and implemented the web application from scratch with React, Next.js.

• Worked remote with a global team over Gitlab with scrum methodology.

General Assembly - Boston, MA — Software Engineer Immersive

February 2020 - Present

• Completed a 12-week / 500+ hour immersive course on full-stack web development using a variety of modern programming languages and technologies.

• Built quality RESTful APIs and integrated data from third-party APIs.

• Worked in 4-day sprints while practicing Agile methodology, Scrum principles, and using MVC frameworks. Utilized Git and GitHub for version control.

• Built full-stack SPA, Photo Collector, with the technologies React, Bootstrap, Node, Express, MongoDB, with 3 party and RESTful APIs.

• Individually and as a team developed seven full-stack web applications using the technologies JavaScript, React, jQuery, Ruby on Rails, PostgreSQL, Node, MongoDB.

Turkish Cultural Center - Boston, MA — Web Developer

May 2019 - February 2020

• Developed the two websites of the company and created web content.

• Managed social media content. Advertised the events via Eventbrite and MailChimp.

The Fix - Farmington, CT — Stores Manager

May 2018 - May 2019

• Managed the finances and personnel of the company's branches at four different locations. Scheduled the employee shifts and acted as Human Resources.

• Worked on improving sales strategies and customer satisfaction. Established the use of alternative products and services for customer needs.

Zaman Media Group - Ankara, Turkey — Correspondent

May 2014 - April 2016

• Worked with editors and senior correspondents as a team to cover all of the latest political news from the Capitol. Reported judicial news from the courts.

• Acted as the assistant to the Executive Officer in Ankara headquarters of the media outlet.
